

Press

With the rise in crime and issues of personal safety prominently in the news nowadays, it's no wonder Todd has had a busy schedule. As a leading consultant on GPS Tracking, Security and Surveillance topics and technology, Todd provides individuals, families, law enforcement/government agencies and businesses with what we all crave most – peace of mind.

As an expert speaker, and host of numerous round-table discussions, Todd's deep knowledge of the field and consultative approach keeps him close to the pulse of today's hot topics:

- Abducted and/or Lost Children
- Teen Monitoring and Tracking
- Theft & Asset Tracking
- Spying Spouses
- Nanny Cameras
- Corporate Espionage
- Government Surveillance

Todd, through his company BrickHouse Security can provide experts to speak about these issues and more. Todd, along with his eight full-time staff of Surveillance Specialists (BrickHouse Security), can bring along the knowledge and experience to bring you the real world coverage you need.

He and his team provide:

- Expert speakers for round-table discussion and interviews
- Access to GPS Tracking Devices and Surveillance Equipment for demonstrations
- Consulting, advice and fact checking
- Custom cameras for undercover reporting
- Clients of all levels willing to participate in interviews

About BrickHouse Security:

BrickHouse Security is the technology provider of choice for Law Enforcement agencies, Corporate Security Departments, media outlets and consumers who need GPS Tracking, Security and Surveillance equipment and advice. The company's philosophy is to provide solutions through information and prevention techniques.

To support the press and media outlets in all their efforts to educate and inform the public of the various safety and preventative measures available today, Todd is more than happy to offer his expertise in the field of surveillance and security.
